INTEREST CHARGE CALCULATION

Your Annual Percentage Rate (APR) is the annual rate on your account.

Type of Balance	ANNUAL PERCENTAGE RATE (APR)	Balance Subject to Interest Rate	Days in Billing Cycle	Interest Charge
Purchases	29.99% (v)	\$0.00	22	\$0.00
Cash Advances	29.99% (v)	\$0.00	22	\$0.00

(v) = variable (f) = fixed

Payment Options:

You can pay online through your online account or by setting up automatic payments. Your payment must be made in U.S. dollars with a telephonic or electronic payment authorization.

Lost or Stolen Cards:

To report a lost or stolen card open your Robinhood mobile app and navigate to Robinhood Support. Then click on Lost or Stolen Card, immediately lock your card then follow the steps to report your card as Lost or Stolen. Any questions, contact us by navigating to Robinhood Support.

Daily Periodic Rates:

The daily periodic rates for Purchases, APR-Based POT Plans, balance transfers, and Cash Advances are based on the APR for Purchases, APR-Based POT Plans, balance transfers, and Cash Advances, respectively. The daily periodic rates for Purchases, balance transfers, and Cash Advances may be adjusted monthly. The current daily periodic rate for Purchases, APR-Based POT Plans, Cash Advances, and balance transfers on your Account is calculated by taking the applicable APR divided by 365 ("Daily Periodic Rate").

How We Calculate Interest:

We use the Average Daily Balance ("ADB") method (including new transactions) to calculate interest on your Account. We calculate the interest charge for each type of balance on your Account by applying the Daily Periodic Rate to the ADB. Then, we multiply this amount by the number of days in the billing cycle.

The ADB for each balance on your Account is calculated separately, starting with the beginning balance on the first day of each billing cycle. The beginning balance on the first day of the billing cycle includes the following: The prior billing cycle's ending balance, which includes unpaid interest and any applicable unpaid fees posted to your Account in the prior billing cycle, and Any late payment fees posted in the current billing cycle that are related to a late payment in the prior billing cycle.

To get the ADB for each balance on your Account, we take the beginning balance each day and add any new transactions and fees. Then, we subtract any payments or credits. Except for the first day of each billing cycle, we add interest equal to the previous day's balance multiplied by the Daily Periodic Rate. (This means interest is compounded daily.) This gives us the daily balance. Any daily balance that is a credit balance will be treated as zero. Then, we add up all the daily balances for the billing cycle. We divide this amount by the number of days in the billing cycle. This gives us the ADB.

Balance Subject To Interest Rate:

The Balance Subject to Interest Rate is calculated using a method called Average Daily Balance (including new transactions).

When Interest Charges Begin:

Your Payment Due Date is at least 21 days after the close of each billing cycle. We will not charge you any interest on Purchases if you pay any POT Plan Payment Amount plus your entire New Balance, excluding any POT Plan balances (the "Adjusted Statement Balance"), by the Payment Due Date each billing cycle. This is the "grace period" on Purchases. If you do not pay your Adjusted Statement Balance in full by the Payment Due Date, we may charge you interest on your Purchases from the date they are posted to your Account. You also may not have a grace period on Purchases again until you pay the Adjusted Statement Balance in full by the Payment Due Date two billing cycles in a row. There is no grace period for Cash Advances, balance transfers, or APR-Based POT Plan. We will begin charging interest on Cash Advances and balance transfers on the transaction date or the first day of the billing cycle in which the transaction is posted to your Account, whichever is later. We will begin charging interest on APR-Based POT Plans on the date the eligible Purchase is converted to the APR-Based POT Plan balance until it is paid in full.

BILLING RIGHTS SUMMARY**What To Do If You Think You Find A Mistake On Your Statement:**

If you think there is an error on your statement, write to us at: Robinhood Credit, Inc., 85 Willow Road, Menlo Park, CA 94025, Attn: Credit Card Billing Dispute.

In your letter, give us the following information:

- *Account information:* Your name and account number.
- *Dollar amount:* The dollar amount of the suspected error.
- *Description of Problem:* If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us within 60 days after the error appeared on your statement.

You must notify us of any potential errors *in writing*. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

While we investigate whether or not there has been an error, the following are true:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

Your Rights If You Are Dissatisfied With Your Credit Card Purchases:

If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase.

To use this right, all of the following must be true:

1. The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than \$50. (Note: Neither of these is necessary if your purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)
2. You must have used your credit card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses your credit card account do not qualify.
3. You must not yet have fully paid for the purchase.

If all of the criteria above are met and you are still dissatisfied with the purchase, contact us *in writing* at: Robinhood Credit, Inc., 85 Willow Road, Menlo Park, CA 94025.

While we investigate, the same rules apply to the disputed amount as discussed above. After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay we may report you as delinquent.

Late payments, missed payments, returned payments, or other defaults on your Account may be reflected in your credit report as well in the credit report of any Authorized User you add to your Account.
